# Five Star Program

*International sign of refinishing excellence*

Join the very best professionals all over Europe by joining the Five Star Program - the premier bodyshop network fully backed by DuPont Refinish. Raise your bodyshop's potential to new heights of productivity and profitability through the Program's indispensable support. Quality work attracts quality customers, so being the best pays off.

Uniting around 1,000 top-quality bodyshops across Europe, the Five Star Program is recognised for offering the peak of automotive refinishing excellence. Apart from delivering the highest quality in repair work, Five Star members maintain the highest standards in all areas of bodyshop operations, including administration efficiency. All this makes them very attractive partners for major fleet, lease and insurance customers, as well preferred specialists for major car manufacturers' warranty requirements.

Through the Five Star Program, members benefit from the full weight of experience and know-how from DuPont Refinish. Through analysis and advice, training and support as well as marketing and communication, members can improve every aspect of bodyshop operations - from shopfloor and sales desk to back office and business management.

If you have high ambitions and want to join the very best, then count on us to help you get there. Just give us a call and let's reach for the stars!
